

Rockport Reunion RSVP

If you are an "alumnus" of the Rockport Trip that has been part of Ebenezer's service projects for the past 18 years, this is for you! Students...chaperones...anybody who came and worked at Rockport State Park in the past is welcome to attend. Even if you didn't attend, but want to experience this special part of God's creation, this event is for you!

There are a couple options to participate: Camping, or just visiting for the day. Camping families reserve sites through the school for Friday and Saturday nights, June 25 and 26. We'll be camping at Rasar State Park; overnight camping is not allowed in Rockport State Park anymore. For other families who cannot come and camp overnight, come join us on Saturday, June 26, for an all-day Rockport Reunion! We'll tour the park, maybe do some service work like we've done in the past, and share with each other about our experiences and what we've learned through the "Rockport Experience".

If you'd like to get information on Rasar Park's camping opportunities, or want to check out current information on Rockport State Park, please go to the Washington State Parks website at www.parks.wa.gov.

Please **RSVP** for camping sites using the form below. Cut it out, fill it out, and send it in to the school as soon as possible. This will reserve your campsite.

If you are only planning to attend the Saturday Rockport Reunion, you can indicate your attendance on the Centennial Celebration Form. You can download this form on the school's website at www.ebenezerchristianschool.org and also get the latest Centennial News! Please call Mr. Buss at school for more information.

RSVP: Reservations will be taken on a first-come, first-served basis. If the group camps fill up, we will do our best to reserve another. You will be notified once your reservation has been received and applied to the weekend.

Family: _____

Phone: _____

Number of people (including children) who plan to attend: _____

Cost for camping is \$25/night (send checks with Centennial Celebration Form). Sites have electricity and water. Tents are allowed in the sites. Maximum number of people per site: 8.
